Woo hoo, it is Friday!

I don’t really have much to report, but here’s a quick rundown:

- We have heard that CUNY’s plan for the CARES Act money has been accepted. We hope that means students who are eligible to receive the relief money will begin to do so. Mary and Donovan will be attending a meeting this morning and they hope to find out more. We will keep you posted.
- HR’s event yesterday went very well. Thank you to all who participated.
- If you have any questions about the benefit changes due to the pandemic, please read the HR E-News sent out recently and, always, you can learn more from HR’s nifty coronavirus website: https://guttman.cuny.edu/faculty-staff/human-resources/coronavirus-info/
- Anastasia reported that CUNY Central is developing a Taskforce to develop plans for the re-opening of buildings. This group will focus on the extensive public safety and physical plant concerns that will arise. Due to Guttman’s small state (just one building), our plans will be simpler. Anastasia and her great team will keep us safe, we can be sure of that!
- Check out some great new videos on our social media. A big shout out to Wellness and Public Safety on your efforts. I’ll say no more, but urge you to view the videos.
- Staff, get your pictures in for the video for students!
- For those of you who are eligible to vote in the College Council Non-OSE Seats Run-off election, please remember to cast your votes by 4:00 today.

To those of you who are mothers, a special salute to you!

Have a great weekend,
Linda
