Hello Grizzlies,

On behalf of the entire Peer Mentoring Program, we hope everyone is in good health, mentally and physically, and we would like to remind you that the Peer Mentoring Program is here as a resource! For the remainder of Spring I, Meet-Ups will be taking place online. Please see below for details and information about how to take advantage.

1. **Meet-Ups! (schedule attached)**
   
   Click or copy-and-paste the link for the Meet-Up you would like to attend, and you will be directed to a Blackboard Collaborate page where a Peer Mentor will be waiting. In the Blackboard room, you can share documents, work alongside your peers in the group Meet-Up, and ask questions about subject material.
