When grades post, you can decide to convert some or all of your grades to Credit/No Credit.

- If you choose Credit/No Credit (CR/NC) grading:
  1. A passing letter grade (A, B, C, or D) will convert to ‘CR’, with credit being awarded.
  2. A failing grade (F) will convert to ‘NC’, with no credit awarded.

- Once grades are posted, you have until July 16th to choose this grading option for Spring 1 and September 10th for Spring 2. Once selected, the CR/NC option cannot be reversed.

- Credit/No Credit grades will not impact your GPA.

- Courses kept as letter grades will be factored into your semester and general GPA.

- Credit/No Credit grades are guaranteed to transfer to CUNY colleges per CUNY policy. Credit/No Credit grades are not guaranteed to transfer to non-CUNY institutions.

- Students on academic probation during the current Spring 2020 semester will not be dismissed from the college based upon their grades earned this semester.

Important Student Reminders:

☑ Continue working hard in your current classes and remain committed to achieving your academic goals! Do not withdraw from any course without considering the CR/NC option.

☑ Speak with your SSA or Career Strategist to discuss how the CR/NC grading option can help you stay on track and earn credits towards graduation.

☑ Consult with a financial aid advisor regarding any potential impact to your financial aid.

☑ Guttman will communicate the procedure for selecting the CR/NC grading option in the coming weeks. Check your email and the Registrar's webpage for further information.
